Dear Ms. Peal,

We acknowledge with thanks receipt of your two letters of June 8, 2010 by which you provided to the President a report and other documentation on the work of the Foundation for Women.

Please accept our thanks and commendation for the many important activities that the Foundation has undertaken, particularly in response to the needs of women and children. We also commend you for the accountability demonstrated by the financial statements in your report and wish that other NGOs would emulate this good example.

I am sending a copy of this letter and your report to the Minister of Planning & Economic Affairs, who serves as the Coordinator for NGO activities in the country.

Sincerely,

Edward B. McClain, Jr.
